Today's Blend

Thursday

Square Mile

Today's coffee is a world blend of three exceptional single-origins that each bring a unique fruity quality: ripe melon from Colombia, sweet cherry from Rwanda, and full-bodied papaya from New Guinea.

ScreenCloud RGA Demo

R/GA IoT UK Demo Day 2017: ScreenCloud

3:03 / 5:56

The video shows a man standing in front of a large screen displaying a Windows 8.1 desktop. The desktop features a grid of colorful tiles, including a clock, weather, and various app tiles. The man is gesturing towards the screen, which is displaying a demo of the ScreenCloud RGA (Remote Graphics Acceleration) technology. The video player interface includes a progress bar, play/pause button, volume control, and settings icons.
